

1

EBT Customer goes to the **Market Info Booth**

2

Customer indicates the amount they wish to spend with their EBT card. EBT Clerk enters the amount and swipes their EBT Card using a POS.

3

EBT Clerk opens up the Device Magic App on an iPad to complete customer survey.

4

Once survey is completed, customer is given their receipt, EBT tokens and Double Up Bucks (DuBx).

DuBx AT THE MARKET: HOW IT WORKS

7

Food From Farms reimburses the market for Double Up Bucks. Market Manager then issues reimbursement check to vendors.

6

Vendors count tokens/DuBx and reports total received to the market manager. Market Manager and Vendor sign Food From Farms (FFF) Reimbursement Request Form. Form sent to FFF for processing.

5

Customers use tokens and Double Up Bucks to pay for purchases. **FINI Bucks can only be used for fruits and vegetables.**
